What is the TAGyc?

The Teen Advocate Group is an association of teens that are or have been in out-of-home care working to advocate for change while addressing the needs of teens and young adults.

VISION STATEMENT
All teens in care along with staff, administration, and community partners are aware of Youth Council

and utilize it as a means of connecting and advocating for opportunities, change and normalcy in order to empower and

encourage youth who experience out of care placements to actively participate in the planning of their lives.
